

## Disclosure of Your Health Care Information

---

This practice is required, by law, to maintain the privacy and confidentiality of your protected health information and to provide our patients with notice of our legal duties and privacy practices with respect to your protected health information.

### **Treatment**

Bay Area Neuromuscular Therapy Center may disclose your health care information to other therapists within our practice for the purpose of treatment or payment purposes.

- On occasion, it may be necessary to seek consultation regarding your condition from other health care providers associated with this practice.
- It is our policy to provide a substitute therapist, authorized by this practice, to provide assessment and/or treatment to our patients, without advanced notice, in the event of your primary therapist's absence due to vacation, sickness, or other emergency situation.

### **Payment**

We may disclose your health information to your insurance provider for the purpose of payment or health care operations.

### **Workers' Compensation**

We may disclose your health information as necessary to comply with State Workers' Compensation Laws.

### **Emergencies**

We may disclose your health information to notify or assist in notifying a family member, or another person responsible for your care about your medical condition or in the event of an emergency or of your death.

### **Judicial and Administrative Proceedings**

We may disclose your health information in the course of any administrative or judicial proceeding.
